Homesnap Showings is a modern showing management tool that is built into the existing Homesnap Pro platform and available across desktop, mobile web, iOS, and Android. Built for the Productive Agent. Homesnap Showings allows Brokers and Agents to seamlessly schedule and manage showings with clients.

In this webinar we will walk through the Homesnap Showings tool covering the both the Listing and Buyer's agent experience.

Homesnap Showings, the newest feature from Homesnap. Homesnap is agent-friendly, easy-to-use real estate showings tool on the market — and now it’s fully integrated into our Spokane MLS! [Click here](#) for more information.

To access Homesnap Showing, click on the **Resources** tab in Paragon and click **Homesnap Showings: My Calendar** or **Homesnap Showings: My Itineraries** or **Homesnap Showings: My Listings**.

DO YOU NEED AN EASY WAY TO CHECK YOUR SALES FOR THE YEAR?

Go to Resources and select Statistical Reporting. In the Statistical Reporting Area, go to the Sales Detail section under Broker. This will bring up of your sales (listing or sale side) that were reported in 2021. Participants (firm brokers) are able to view this report for all agents/brokers in their office.
