*Join your peers for a full day built around what you need most right now: timely market intelligence, national perspective, & high-value connections with leaders shaping the industry.*

The Power Broker Summit brings together top voices from across real estate to explore market insights, emerging housing trends, and key updates from the national level, so you can return home with fresh ideas, stronger alignment, and practical takeaways for your association and members. Then, keep the momentum going at the *Power Broker Summit Reception* — a relaxed, high-impact networking event to connect with colleagues, continue the conversation, and build relationships that make Region 12 stronger.
